Dear NOVA Families,

- Community Schools EMPOWER Summit 2026! Hosted annually by the State Transformational Assistance Center (S-TAC), the Community Schools EMPOWER Summit is a dynamic gathering that brings together the educational ecosystem. We welcome all California Community Schools Partnership Program (CCSPP) grantees.
 - Designed to spark creativity and collaboration, the summit offers engaging sessions that highlight how we—collectively—are strengthening community-classroom connections and aligning resources to support the whole child.
 - Through powerful teaching and learning, shared leadership, expanded learning opportunities, and integrated supports for health and wellness, the EMPOWER Summit celebrates bold, forward-thinking approaches grounded in California's Community Schools Fundamentals

- **After-School Enrichment Programs!** See below in the [middle school](#) and [high school](#) sections to review the many programs we'll be offering in this semester, as well as the dates and times the programs will run. There is still room for our Eagles to join the fun!
 - From **Art, Cooking, and Soccer** to **STEM** and **Fashion Design**, there's something for everyone! 🚀🎨✨
- **NOVA Academy Early College High School** has once again been named a “**Best High School**” by the **U.S. News & World Report**. We are proud to be a Best High School. We are even prouder to be NOVA. 💙💛
 - This recognition is about more than a ranking. It's about our **community**. This achievement is a **reflection of the perseverance and partnership of our students, teachers, staff, and families**.

Highlights:

Jaime Gomez-Jaimes, a Junior at NOVA Academy, has been part of our athletics program since his Freshman year, and his hard work is definitely paying off! This past weekend, Jaime hit the track and competed in a race with 180 students, finishing as one of the top racers.

We're so proud of you, and way to go Jaime! 🏆

Shout out to NOVA Athletes!

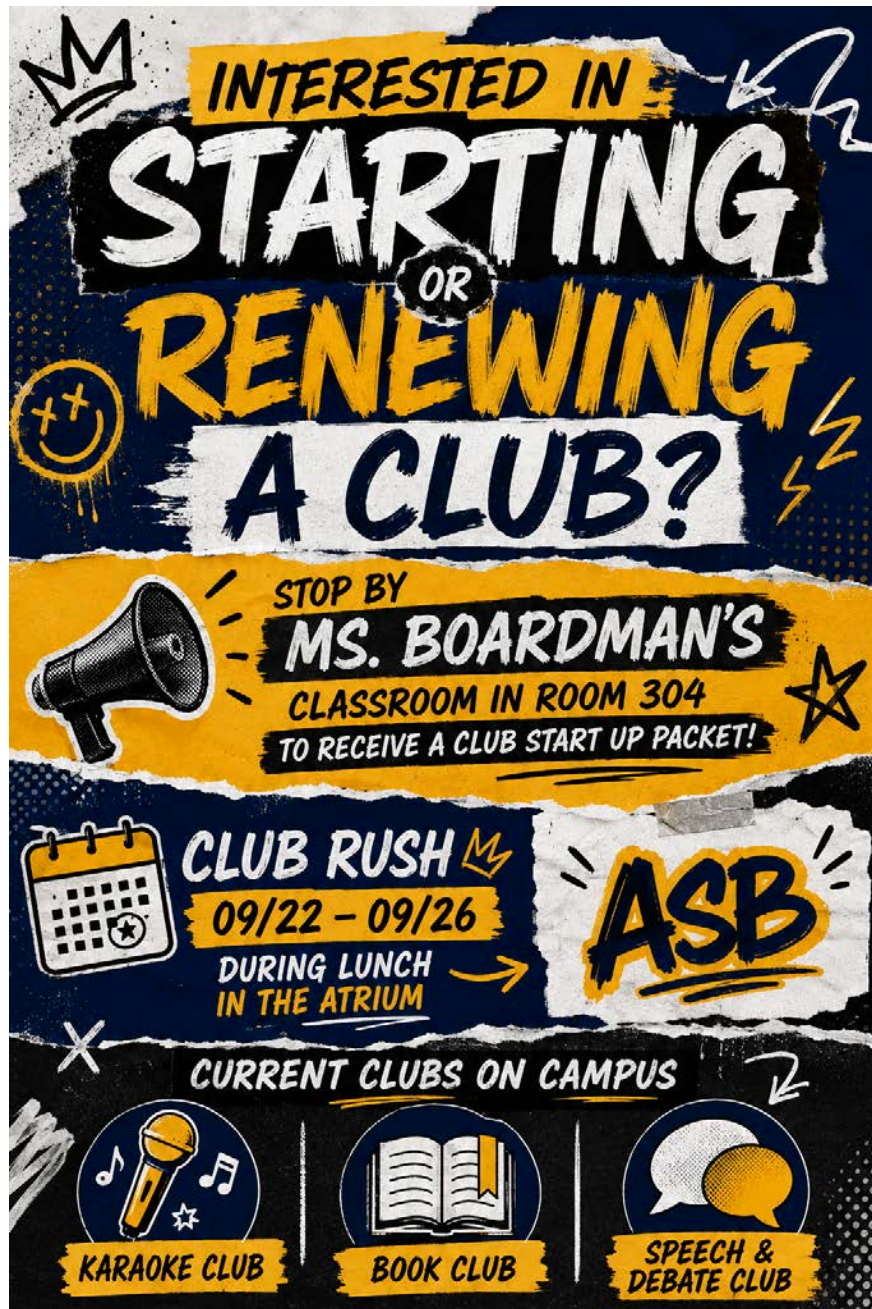

We had an exciting finish between Rothney Panha and Jose Levin, who both crossed the finish line at 22:07. Jose edged out Rothney by just five-thousandths of a second!

Here's how the rest of our Eagles finished:

- Samuel Rodriguez — 100th place, 23:31
- Reyes Felix — 107th place, 24:16
- Mario Guzman — 129th place, 27:16

- There's even more to celebrate! 142 teams competed, and out of the 12 teams that placed, our Eagles finished 11th as a team! 🎉
 - Even better, every single runner on our team finished under 28 minutes! That's a huge improvement from our last race, when everyone finished under 30 minutes.
- The season is just getting started, and we're already seeing the progress. Keep putting in the work, Eagles! Every mile, every race, and every finish line gets us one step closer to our goals. 🦅🔥🏃

- **BREAKFAST & LUNCH:** All meals this year are FREE, so every student has the option for both breakfast and lunch. We ask that no food deliveries be made at school by outside restaurants or delivery services, as everyone has the option to eat for free on campus.

- **OC Streetcar** testing is becoming more frequent and routine along the full route between the Santa Ana Train Station and the Harbor/Westminster stop in Garden Grove. As testing increases, streetcar activity will become more noticeable throughout the community, including horn and bell sounds, as preparations continue for passenger service early next year.
 - As testing increases, sharing the road safely with streetcars is especially important. Please stay alert, obey traffic laws, park legally and keep streetcar tracks and travel lanes clear. Illuminated signs at certain intersections will activate as streetcars approach to temporarily detour traffic. Vehicles that block or interfere with streetcar operations may be subject to towing in accordance with local parking regulations.
 - **What You Can Expect:**
 - Testing taking place more frequently, including nights and weekends
 - Streetcars operating routinely at posted speed limits
 - Streetcars stopping at station platforms, with doors opening and closing as part of testing
 - Bells sound as streetcars approach, arrive at, depart from or pass through station platforms; use may vary as testing continues.
 - Both horns and bells sound as streetcars pass through certain station platforms, approach crossings or when needed for safety; use may vary as testing continues.

Jaime Gomez-Jaimes, estudiante de tercer año en la Academia NOVA, ha formado parte de nuestro programa deportivo desde su primer año, ¡y su esfuerzo sin duda está dando frutos! El fin de semana pasado, Jaime compitió en la pista con 180 estudiantes, quedando entre los mejores.

¡Estamos muy orgullosos de ti, y bien hecho Jaime! 🏆

¡Un saludo a los atletas de NOVA!

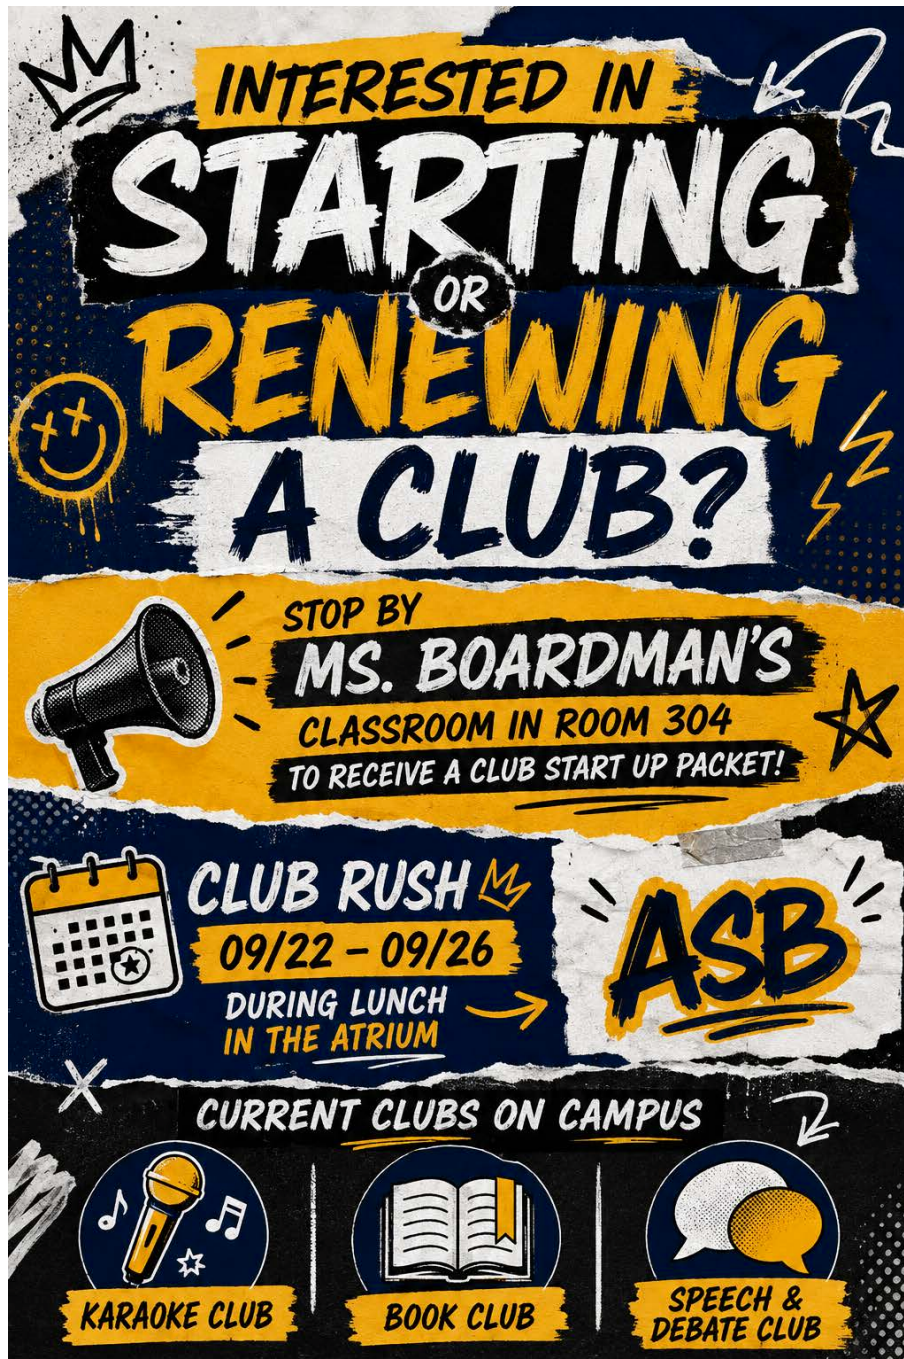

Tuvimos un final emocionante entre Rothney Panha y José Levin, quienes cruzaron la meta a las 22:07. ¡José superó a Rothney por tan solo cinco milésimas de segundo!

Así terminaron el resto de nuestros Eagles:

- Samuel Rodríguez — Puesto 100, 23:31
- Reyes Félix — Puesto 107 , 24:16
- Mario Guzmán — Puesto 129, 27:16

- ¡Hay aún más motivos para celebrar! Competieron 142 equipos, y de los 12 que obtuvieron un puesto, ¡nuestros Eagles terminaron en el puesto 11! 🎉
 - ¡Y lo mejor de todo es que todos los corredores de nuestro equipo terminaron en menos de 28 minutos! Eso supone una gran mejora con respecto a nuestra última carrera, en la que todos terminaron en menos de 30 minutos.
- La temporada apenas comienza y ya estamos viendo el progreso. ¡Sigán esforzándose, Eagles! Cada milla, cada carrera y cada meta nos acerca un paso más a nuestros objetivos. 🦅🔥🏃

- **DESAYUNO Y ALMUERZO:** Este año, todas las comidas son gratuitas, por lo que cada estudiante tiene la opción de desayunar y almorzar. Les pedimos que no se realicen entregas de comida en la escuela por parte de restaurantes o servicios de entrega externos, ya que todos tienen la opción de comer gratis en el campus.

- **Tranvía de Orange County:** Las pruebas se están volviendo más frecuentes y rutinarias a lo largo de todo el recorrido entre la estación de tren de Santa Ana y la parada Harbor/Westminster en Garden Grove. A medida que aumenten las pruebas, la actividad del tranvía será más notoria en toda la comunidad, incluyendo el sonido de las bocinas y las campanas, mientras continúan los preparativos para el servicio de pasajeros a principios del próximo año.
 - Con el aumento de las pruebas, compartir la vía de forma segura con los tranvías es fundamental. Por favor, manténgase alerta, respete las normas de tránsito, estacione correctamente y mantenga despejadas las vías y los carriles de circulación. En ciertas intersecciones, se activarán señales luminosas al acercarse los tranvías para desviar temporalmente el tráfico. Los vehículos que bloquean o interfieren con la circulación de los tranvías podrán ser remolcados de acuerdo con la normativa local de estacionamiento.
 - **Qué puedes esperar:**
 - Las pruebas se realizan con mayor frecuencia, incluso por las noches y los fines de semana.
 - Los tranvías circulan habitualmente a los límites de velocidad establecidos.
 - Tranvías deteniéndose en los andenes de las estaciones, con las puertas abriéndose y cerrándose como parte de las pruebas.
 - Las campanas suenan cuando los tranvías se acercan, llegan, salen o pasan por los andenes de las estaciones; su uso puede variar a medida que continúen las pruebas.
 - Tanto las bocinas como las campanas suenan cuando los tranvías pasan por ciertos andenes de las estaciones, se acercan a los cruces o cuando es necesario por motivos de seguridad; su uso puede variar a medida que continúan las pruebas.
