Instructions for Presentations to the Board by Citizens

NOVA Academy Early College High School ("School") welcomes your participation at the School's Board meetings. The purpose of a public meeting of the Board of Directors ("Board") is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided:

1. Copies of the agenda are available to audience members.
2. Any person may address the Board concerning any item on the agenda. "Request to Address the Board on AGENDA ITEMS" forms are available for those who wish to speak on agenda items. You shall specify that agenda item on your form and give the form to the Recording Secretary to the Board.
3. At the discretion of the Board, audience members may be granted five (5) minutes to make a presentation to the Board at the time the specific agenda item is under discussion. The President of the Board may grant additional time for an individual to address the Board if circumstances permit. The total time devoted to presentations to the Board on agenda items shall not exceed one-half hour unless additional time is granted by the Board. The President may curtail individual presentations if repetitive of points raised by others, particularly if it appears the total allotted time may be exceeded.
4. All presentations shall be heard by the Board prior to the formal discussion of the agenda topic by the Board and consideration of action.
5. "Request to Address the Board on NON-AGENDA ITEMS" forms are available to audience members who wish to raise issues that are not specifically on the agenda. You shall complete the form and give it to the Recording Secretary to the Board.
6. Presentations on non-agenda items are limited to three (3) minutes each and the total time allotted to non-agenda items will not exceed fifteen (15) minutes. The President may disallow a request to address the Board if repetitive of other speakers, or if the speaker seeks to make a presentation that he or another speaker has made at a previous meeting, particularly if it appears that the total allotted time may be exceeded.
7. When addressing the Board, speakers are requested to state their name and address and adhere to the time limits set forth.
