1. Narrative description of the Prop 28 arts education programs(s) funded:

Due to the charter school's small student enrollment size, it has not been operationally feasible to implement a sustainable, multi-year arts program using the initial allocations. Therefore, in accordance with the California Department of Education guidelines governing unexpended apportionments, the school plans to formally return the unspent 2023–24 Proposition 28 allocation to the state. The school will continue to evaluate enrollment scaling and the potential use of subsequent allocations.
