1. Narrative description of the Prop 28 arts education programs(s) funded:

Proposition 28 funds allocated in 2023-24 were used to launch a new general music program that broadens our current arts education offerings. Funds directly supported the hiring of a part-time (0.6 FTE) music teacher to provide direct instructional services. Additionally, funds were used to purchase musical instruments, instructional materials, and necessary supplies to build a sustainable music curriculum that supplements our existing visual arts classes.

In order to ensure that Proposition 28 - Arts and Music in Schools (AMS) funds apportioned to NOVA Academy during the 2024-25 and 2025-26 fiscal years are allocated in the most effective manner possible, these funds will be expended in future years in accordance with CA Education Code § 8820(f), thus allowing sufficient time to incorporate them into a strategic plan that will best serve the needs and interests of NOVA's students and stakeholders.
