<i>These are the strategies that you will be working to write into policy.</i>	<i>Write any <u>current policy</u> you have for each strategy into the corresponding boxes below. Next you will score the strength and implementation of each policy.</i>									<i>Opportunities, Barriers, Resources Needed, Rank Policies by Priority, etc.</i>
Provide healthy choices for snacks and celebrations; limit unhealthy choices.	Any foods and beverages marketed or promoted to students on the school campus during the school day will meet or exceed the USDA Smart Snacks in School nutrition standards such that only those foods that comply with or exceed those nutrition standards are permitted to be marketed or promoted to students (page 6).	X			X					Continue enforcement with vendor and school administration.
Provide water and low fat milk; limit or eliminate sugary beverages.	To promote hydration, free, safe, unflavored drinking water will be available to all students throughout the school day (page 6). White milk is placed in front of other beverages in all coolers (page 8).	X			X					Water fountain is available throughout the day and water may be purchased in vending machine.
Provide non-food rewards.	NOVA Academy will provide a list of healthy party ideas to parents and teachers, including non-food celebration ideas (page 7).	X			X					School administration oversees non-food celebrations and provides a list of ideas.
Primarily non-food items should be sold through school fundraising activities.	NOVA Academy will make available to parents and teachers a list of healthy fundraising ideas (page 7).	X			X					Fundraising includes non-food related choices or healthy options.
Provide opportunities for children to get physical activity every day.	NOVA Academy will coordinate and integrate other initiatives related to physical activity, physical education, nutrition and other wellness components so all efforts are complementary, not duplicative, and work towards the same set of goals and objectives promoting student well-being, optimal development and strong educational outcomes (page 10).	X			X					Physical education courses are offered to students as well as clubs requiring physical activities.
The school demonstrates a commitment to neither deny nor require physical activity as a means of punishment.	The Centers for Disease Control (“CDC”) recommends that all children and adolescents participate in a minimum of sixty (60) minutes of physical activity every day (page 10).	X			X					The Employee Handbook forbids using physical activity as punishment.
Limit recreational screen time. (School based screen time)	School based screen time is overseen and limited by the classroom teachers and school administration.	X			X					Statement will be added to the 2022-2023 Student Wellness Policy.
